

Barco UniSee

55" bezel-less tiled LCD video wall platform for high-brightness applications

- **Bezel-less design with NoGap technology, for high-brightness use**
- **Mounting structure with automatic alignment for ensured precision**
- **Sense X automatic and continuous calibration**
- **Modular, future-proof platform**

The award-winning Barco UniSee[®] platform takes a completely new approach to truly seamless LCD video walls. Redesigning and optimizing every component, Barco UniSee is not only a step forward in terms of image quality, but also in installation precision, ease-of-servicing, and reliability.

Bezel-less viewing experience, innovative mounting system

Barco UniSee's bezel-less design, which makes the inter-tile gap barely noticeable, enables spreading content over multiple tiles without the interruption of a disturbing black border. The revolutionary UniSee Mount uses the power of gravity to perfectly and automatically align panels – and keep them in place over time. What's more, UniSee Mount also eases maintenance efforts, allowing swift undocking of separate panels.

Sense X, automatic and continuous calibration for perfect uniformity

Sense X, the automatic, continuous color and brightness calibration system, ensures that the complete wall gives a perfectly balanced image at all times. What's more, Barco has also re-engineered the design of the panels to counter all possible variations in brightness from the center to the edges.

Setup and maintenance can be performed even faster and more easily using the upgraded Video wall Manager module. A wizard guides you through the complete installation process, and the individual panels are automatically recognized by the software upon introduction. The local dimming feature brings higher contrast, lower radiated heat and reduced power consumption.

Offering full system experiences

Besides its visualization portfolio, Barco offers a full range of content

Besides its visualization portfolio, Barco offers a full range of content management solutions and services to meet the needs of several applications. In addition, the Barco UniSee platform is surrounded by several ecosystem partners, that offer tailored components to further increase the platform's value. Think of touch overlays for increased interactivity, trim solutions for elegant integration in the environment, mounting solutions to allow free-standing or curved set-ups, etc.

Product specificaties**BARCO UNISEE****Model**

Modelnaam Barco UniSee 700

Panel

Lcd-technologie IPS

Resolutie Full HD (1920 x 1080)

Achtergrondverlichting Direct LED

Beeldverhouding 16:9

Luminantie 700 cd/m² (TYPICAL)

Contrast 1100:1 (TYPICAL)

Contrast 1500:1 (TYPICAL*)

Wit punt native: 10,500 K (TYPICAL)

Schermnevel 28%

Kalibratie Sense X automatic color and brightness calibration

Bit depth 3 x 10 bits

Levensduur van de achtergrondverlichting 60,000 h (TYPICAL)

Kijkhoek (H, V) 178° | 178°

Uniformiteit 9 points: 98%

13 points: 98%

21 points: 92%

Koeling Fanless

Bedrijfstemperatuur 0°C - 40°C

Operationele vochtigheid 20% - 80% (non-condensing)

Opslagtemperatuur -20°C - 60°C

Vochtigheid bij opslag 10% - 90% (non-condensing)

Reactietijd < 8 ms

Temperature sensors Embedded temperature sensors in each panel

Beeldinbranding Advanced algorithms to limit image retention

*Opmerking *: tested with a 3x3 checkerboard test pattern on a single panel with default factory settings.

Dimensions

Afmetingen 1211.36 x 682.02 x 91.1 mm | 47.7" x 26.9" x 3.59" (internal SMPS)

1211.36 x 682.02 x 87.1 mm | 47.7" x 26.9" x 3.43" (external SMPS)

Actief scherm (diagonaal) 55"

Gewicht 17.3 kg | 38.1 lbs (LCD net)

15.0 kg | 33.1 lbs (LCM net)

Frame Width NA (bezel-less)

ConnectivityDisplayPort 2 DP1.2 inputs (DisplayPort 1.2 cables must be used when the cable length exceeds 3m / 10 feet)
1 DP1.2 output

HDMI 2 HDMI 2.0 inputs

USB 2 (only for power)

Ethernet-poort 2

HDCP Yes (v2.2)

Power

Ingangsspanning (wisselstroom) 100-240 VAC, 50-60 Hz

Energieverbruik	Int. power supply	Ext. power supply
700 nit	241W	227 W
500 nit	185 W	174 W
350 nit	139 W	130 W

Warmtedissipatie	700 nit	822 BTU/h	775 BTU/h
	500 nit	631 BTU/h	594 BTU/h
	350 nit	474 BTU/H	444 BTU/h

EMC Class A and follows CE, FCC or UL
Emission: EN 55032: 2012

EN 61000-3-2: 2014

EN 61000-3-3: 2013

Immunity: EN 55024: 2010

Productveiligheid EN 60950-1: 2006 + A11: 2009 + A1: 2010 + A12: 2011 + A2: 2013

RoHS EN 50581: 2012

Componenten UNI-0001 / UNI-0002 / UNI-0004 / UNI-0005 & WME110

Opmerkingen UniSee Mount can support up to 10 rows in landscape mode and 6 rows in portrait
